

FOR IMMEDIATE RELEASE

THE CHARLES E. KUBLY FOUNDATION SUPPORTS EDUCATIONAL
PRESENTATION DEVELOPMENT FOR TEACHERS IN MILWAUKEE

November 15, 2011 (Milwaukee, WI) – Wisconsin Lutheran Child & Family Service, Inc. (WLCFS) is pleased to announce that the [Charles E. Kubly Foundation](#) has awarded WLCFS a grant for \$5,000. The purpose of the grant is to develop and offer educational presentations to teachers in the Milwaukee area. The presentations are intended to help teachers better understand depression and mental health challenges that both they and their students may face.

Dan Nommensen, LPC, Coordinator of the Member Assistance Program for Students at WLCFS says, “The support from the Charles E. Kubly Foundation will help us develop presentations that not only help reduce the stigma of depression and other mental health challenges, but help teachers better understand how to recognize signs and symptoms of emotional distress in the classroom and how to facilitate treatment.”

The presentations will be developed in collaboration with [InHealth Wisconsin](#), a non-profit dedicated to creating insightful, interactive and inspiring programs and training that build capacity within individuals and communities to transform health and well being. Presentations for teachers will initially be offered to Milwaukee schools where WLCFS currently provides on-site counseling services. The goal is to eventually provide teachers across the country access to the presentations online or through live video conferencing. If you wish to make a donation to the Member Assistance Program for Students through WLCFS, or to help support the initial development and expanded access to quality educational programs for teachers, please contact WLCFS at (888)685-9522 or [donate now](#).

WLCFS (Wisconsin Lutheran Child & Family Service, Inc.) is a not-for-profit organization providing senior services and eight Christian Family Counseling offices in Wisconsin. The WLCFS mission has been healing and helping people in need through the ministry of Jesus Christ since 1965.
